n is at the heart of the JMP.

We share stories, articles and book reviews that help us listen to the bubbling of the Spirit at work in all sorts of unexpected places and wonder together how God might be leading us.

On March 31, 2017 we held our first virtual conversation *Around the Table* to invite others to join us in this discerning. This was an opportunity to reflect together upon what we are learning of the work of the Spirit in recent JMP stories.

A full recording of the webinar can be found below and on our [YouTube channel](#) where you can find a number of shorter clips to view and share with others.
